Category: General Clothing

General Requirements:
For your bid to be considered valid, bidders must provide pricing for all items in a given section while meeting the required specifications. It is the State's intent to award to as few bidders as possible. Pricing must include all delivery, packaging and administrative costs including, but not limited to, any US import charges associated with the product. In addition, prices must remain firm for at least twelve (12) months after a contract is fully executed.

The fact that every item involved in the design and manufacture of the product is not mentioned specifically shall be interpreted to mean that the vendor shall provide a product that in all areas conforms to the best-known standards of engineering, relative to design, and manufacturing.

The State reserves the right to waive minor technicalities in a bidder's specifications if the acceptance of his/her bid is deemed to be in the best interest of the State.

There shall be no minimum order quantities or total order amount required from the agency, by the vendor.

Certification
Bidder shall certify that the product offered meets the prominent characteristics of this description and the product conforms to the producer's own drawings, specifications, standards, and quality assurance practices. Therefore, this product is the same product sold in the commercial marketplace.

Samples
Samples are not to be provided until the State has reviewed each bid and determined a short list of vendors. At this time the State will require each bidder that has been short-listed to provide a sample of each item being bid at the bidder's expense. The sample that you submit for testing and review must be an exact replica of the item bid, unless otherwise stated. The State reserves the right to determine the acceptable amount of time for samples to be received.

Within sixty (60) days from the award date, non-awarded bidders are asked to pick up their samples or to provide arrangements for their return. If for any reason these arrangements have not been made within a suitable time, the samples will become the property of the State and those samples will be disposed of in any manner deemed appropriate by the State.

Should you become the awarded vendor, you will be required to provide the identical product throughout the contract period. Should the manufacturer discontinue the product during the contract term, the product shall be replaced by a new product meeting specifications for the awarded price (or less), provided the vendor informs the IDOA Contract Manager in writing and receives written approval of such change. Authorizations for a replacement shall represent a single or blanket approval, according to the request and decision made by IDOA. The sample(s) SHALL be sent to:

Indiana Department of Administration
Procurement Division – Kevin March
402 West Washington St., Room W468
Indianapolis, Indiana 46204

Packaging/Packing
Unless otherwise stated, suitable commercial packaging shall be used common to the industry in order to ensure safe delivery, at the lowest rate, to the point of delivery specified on the purchase order.

Labeling
Unless otherwise stated, the contents, vendor's name, and purchase order number shall be clearly marked on the outside of all packages.

Colors
Unless otherwise stated please list your choices of colors for each item being requested, along with any mandatory colors that may be listed in the specifications. All sweatshirt and sweat pant colors must match exactly in order to have consistency among garments.

Sizes
All sizes shall be industry standard and meet criteria according to the Federal Commercial Standard. No seconds or irregulars shall be accepted. Bidder shall not deviate from sizes ordered. All sizes shall be standard and run true to size.

Optional Sizes
If there is an optional size listed in a line item, please bid if you have this size available. Choosing not to bid on the optional sizes will not disqualify you from being awarded this section.

Delivery
Thirty (30) days ARO unless otherwise stated in your bid.

Line Item's 1-6: Fleece Gym Shorts

Brand Name/Style#_____#4851_____
