TERRAGREEN®
Environmentally Responsible Products

Blue Glass Cleaner

MULTI-SURFACE CLEANER

Flexibility

Mix on your own, or use dilution control.

DIRECTIONS

RECOMMENDED DILUTION

Use cold water, adding concentrate to water at following dilution ratios (concentrate: water):

- **Regular Cleaning:** 1:32
- **Light-Duty Cleaning:** 1:50
- **Heavy-Duty Cleaning:** 1:16

SPRAY AND WIPE CLEANING

1. **Fill:** Properly labeled trigger spray bottle with cold water. Pour TERRAGREEN BLUE GLASS CLEANER into bottle, using the dilution rate for your soil load.
2. **Spray:** On hard surfaces to be cleaned.
3. **Wipe:** Surface dry with a clean cloth. Requires no rinsing.

Use-dilution labels available from Brulin or local distributor.

DIRECTIONS (Quart)

1. **Remove cap and seal.**
2. **Squeeze bottle.**
3. **Fill** properly labeled trigger spray bottle with cold water. Pour product into bottle. (1 oz = 1:32)
4. **Spray** on hard surfaces to be cleaned.
5. **Wipe dry** with a clean cloth. Requires no rinsing.

Blue Glass Cleaner

Multi-Surface Cleaner

Green Seal™ Certified - independently proven to be an environmentally responsible cleaner. Fast-acting, no streak cleaner for routine multi-surface cleaning. Powerful solvents and surfactants cut through film quickly. Use on glass, plexiglass, metal, and other hard surfaces. Reflective glass safe.
