Gender Stereotypes

-Stereotype that men are rugged and women are sensitive is rooted in a time when division of labor was necessary for survival

-Today, modern techn[o] and birth control ha[ve] women from duties associated with chil[d] and childbearing
Male Hunte[r]

Erik Erikson - Identity Crisis

-Identity forms when the adolescent can resolve issues such as:

1. occupation

2. values to believe

3. sexual identity

(Values wheel: Self-Direction, Universalism, Stimulation, Benevolence, Hedonism, Conformity, Tradition)
