The screenshot shows a web interface for updating insurance information. On the left, there are navigation links: "Update Insurance Info" (highlighted in red), "Change My Plate", and "Remove Registration". Below these is a dark green button labeled "Other Registration". The main content area is titled "Insurance Information" and contains a yellow notification box stating "Your Insurance information has been updated." Below the notification are two input fields: "Insurance Company Name" with the value "ABC Insurance" and "Policy Number" with the value "0000123456789". At the bottom right of the form, there are two buttons: "Update" (highlighted in yellow) and "Close". A close button with an 'X' icon is also visible in the top right corner of the form area.

Once updated the following sentence will appear in the box.
