

MOVERS & MAKERS OF TOMORROW SUMMER SUMMIT

A virtual gathering for high school students to learn more about manufacturing and logistics – two industries that are vital to our state’s success now and in the future.

Attention all Hoosier high school students!

You are invited to join Conexus Indiana for the Movers & Makers of Tomorrow – Summer Summit.

The Movers & Makers of Tomorrow – Summer Summit is a virtual event aimed at:

- ◆ Connecting students directly with employers and showcasing the crucial advanced manufacturing and logistics industries of our state
- ◆ Developing employability skills such as teamwork, communication, interviewing, and resume writing that will be relevant regardless of a student’s chosen career path
- ◆ Bringing students together from across the state to build a sense of community and share experiences

New for 2021:

Conexus Indiana is thrilled to announce that there will be up to 8 scholarship opportunities with post-secondary partners here in Indiana. In some instances, simply participating in this summit qualifies you to receive a scholarship upon enrollment.

When:

The summer summit kicks off on June 9, but new content and events will be delivered weekly through July 21

Where:

At your home (or another WIFI enabled location)

Items needed:

A computer, internet connection and a willingness to consider a new career pathway

If you have any questions, please contact:
