

The Indiana Department of Education, Indiana Youth Services Association, Indiana School Mental Health Initiative, Indiana Division of Mental Health & Addictions, and the Indiana State Department of Health are grateful to partner with each other and the below school districts to host regional screening of the documentary **Resilience**.

“Resilience: The Biology of Stress and the Science of Hope chronicles the promising beginnings of a national movement to prevent childhood trauma, treat toxic stress, and greatly improve the health, [education, and life outcomes] of future generations.”
