325 South Oak Street * Suite 206 * Winchester, IN 47394 * Phone: (765) 584-0609

Present:

Michael D. Wickersham, Chairman
Gary L. Girton, Member
Edwin L. Thornburg, Surveyor
Meeks Cockerill, Drainage Board Attorney
Casey Keener, Drainage Board Secretary

Minutes for August 7, 2023

Mike Wickersham calls the Drainage board meeting to order. The first item on the agenda is to Approve the Minutes for our Monday, July 3, 2023 Meeting. We received these via E-mail, are there any additions, corrections, or deletions to those. Gary Girton makes a motion to except the minutes as presented. Mike seconds, Motion is approved.

Mike states that the next item on the agenda is the Surveyors report. Ed says our main item for business today is the stormwater approval plan for the Silver Town Mint. Ed ask Jamie Meadows if he wants to give an overview of what they are doing. Jamie says absolutely Ed, essentially, we built an addition from the northside of the property it is 3200 square feet, Ed and the building inspector have given us a preliminary permit for us to go ahead and begin that pending a review of the storm water plan. What might have to be done to account for any extra run off water that might occur from building that addition. So, the engineers at HWC in Indianapolis have put together this plan review of the additional storm water, came up with a plan to build a small berm across the north side of the property that would divert any access water around to the west side of the property into a ditch. An open ditch that

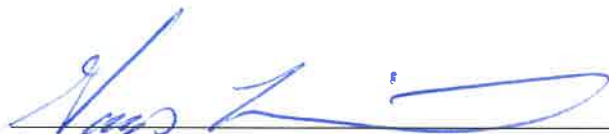

would run about 100 feet that would be about 2 feet deep 8 feet wide that would catch any additional run off water then there would be an 8 inch drain pipe installed and tied into the main storm sewer that runs at the south edge of the property along Base Road. Ed ask if they are going to Greenville Pike or Base Road for their tie in? Jamie says I think its right there at Base road and Greenville pike, it's a 45. Ed says the is a 45 right in the center of the road. I would highly recommend tying in on Base road, it would be easier to do then on Greenville Pike, but its up to you. Mike ask if Ed recommends this. Ed says yes. Gary Girton makes a motion to approve the Stormwater approval on the recommendation of the Surveyor. Mike seconds, Motion approved.

Gary Girton makes a motion to adjourn the meeting. Mike Wickersham seconds, motion carried, meeting adjourned.

Signed this 5th day of September, 2023 in the Randolph County Commissioners Room, Winchester Indiana.
