## Language Identification Cards

These cards enable literate individuals with limited English proficiency (LEP) to correctly identify the language for which they need interpretation services.

The Indiana Supreme Court is committed to ensuring meaningful access to justice to all, regardless of language proficiency.

The Court is pleased to provide these language identification cards to ensure that the correct interpreter is used for LEP persons.

The cards are a resource for all who work in the justice system, to ensure that we communicate effectively, meaningfully, and accurately in all of our encounters.
