### 3.0 ATTAIN AUTHORIZATION TO CREATE A PROPOSAL

#### 3A AUTHORIZATION FOR EXISTING KIDTRAKS VENDORS

From the *Create New Proposal Page*, applicants are required to identify whether they are an existing online KidTraks vendor, or if they need to register as a new user. In the below example, we illustrate the selection of an existing online KidTraks vendor.

The screenshot shows the 'Create New Proposal' page on the KidTraks website. At the top right, there are navigation links: [Sign In](#) | [Information and Helpful Links](#) | [Provider Service Guide](#) | [Contracting Opportunities](#) | [Contact Us](#). The KidTraks logo is in the top left, with the tagline 'part of the MaGIR family'. Below the logo, the page title is 'Create New Proposal'. A table of proposal details is displayed:

Request ID: <b>10000216</b>	Status:	Open For Bidding
Title: Test2	Proposal Due Date:	5/1/2018
Start Date: 6/1/2018	End Date:	6/1/2019
Description: testing		

Below the table, there is a 'Create Proposal:' section with a text input field. Below the input field, a message states: 'All users must be registered with this site before creating a proposal.' A 'Note:' follows: 'If you are existing user, enter your user id and password at the login page to create a proposal...'. At the bottom of this section, there are two radio button options: 'New User' and 'Existing User'. The 'Existing User' option is selected and highlighted with a red circle. Below these options are 'Select' and 'Cancel' buttons, which are also highlighted with a red rectangle.

When an applicant identifies themselves as an *Existing User* and clicks on the *Select* button, they are transferred to the *KidTraks Login Page* as demonstrated below. Here the applicant enters their KidTraks *User ID* and *Password*, then clicks on the *Login* button. The applicant then must return to the *RFP Inquiry Page* and select the desired *RFP ID* corresponding to the desired proposal for submission. Existing users may now advance to page 12 to continue the online proposal creation process.

### 3B AUTHORIZATION FOR PROSPECTIVE KIDTRAKS VENDORS

Vendors not registered as online KidTraks users must complete the registration process. This begins by identifying yourself as a *New User* from the *Create New Proposal Page* and then clicking on the *Select* button as demonstrated below.

The screenshot shows the 'Create New Proposal' page on the KidTraks website. At the top right, there are navigation links: [Sign In](#) | [Information and Helpful Links](#) | [Provider Service Guide](#) | [Contracting Opportunities](#) | [Contact Us](#). The KidTraks logo is in the top left, with the tagline 'part of the MaGIK family'. Below the logo, the page title is 'Create New Proposal'. A table-like layout displays proposal details: Request ID: 10000216, Status: Open For Bidding, Title: Test2, Proposal Due Date: 5/1/2018, Start Date: 6/1/2018, End Date: 6/1/2019, and Description: testing. A 'Create Proposal:' section contains a message: 'All users must be registered with this site before creating a proposal.' followed by a 'Note:' stating 'If you are existing user, enter your user id and password at the login page to create a proposal...'. A red-bordered dialog box is centered, containing two radio button options: 'New User' (which is selected) and 'Existing User'. Below these options are 'Select' and 'Cancel' buttons.

### 3C PROPSECTIVE KIDTRAKS VENDOR REGISTRATION

The applicant is then transferred to the *Registration Page*. Here the user completes the online form and clicks on the *OK* button as illustrated below.

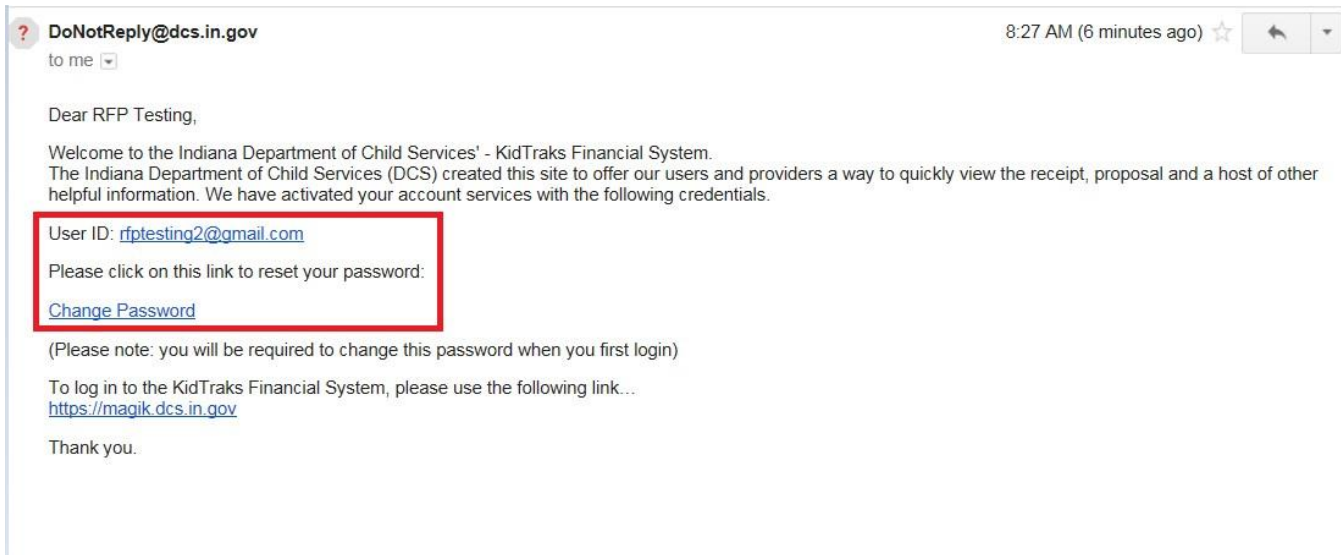

The screenshot shows the 'New User Registration' page for KidTraks. At the top right, there are links for 'Sign In', 'Information and Helpful Links', 'Provider Service Guide', 'Contracting Opportunities', and 'Contact Us'. The main heading is 'New User Registration' with a sub-heading 'Create a new account'. The form fields are: First Name (RFP), Last Name (Testing), Email Address (rfptesting2@gmail.com), Confirm Email Address (rfptesting2@gmail.com), Phone (555-555-5555), and Ext (12345). Below these fields is a section titled 'Sign up to receive E-mail from the following distribution lists.' with two options: 'Foster Parents' (All foster parents regardless of licensing agency) and 'Foster Parent Vendors' (Foster Parents who have been paid in last 6 months). A CAPTCHA image shows the number '851902'. Below the CAPTCHA is a text input field containing '851902'. At the bottom are 'OK' and 'Cancel' buttons.

A successful registration is indicated at the bottom of the *Registration Page* when the form is completed and the *OK* button is selected.

This screenshot shows the same registration form as above, but with a red-bordered box at the bottom containing the message: 'Your registration has been successfully submitted. You will receive an email shortly which contains your temporary password and login instructions. Thank you.' The form fields are filled with the same data as in the previous screenshot.

## 4B PROPOSAL INFORMATION PAGE

The first page presented to the applicant after clicking upon the *Create Proposal* link is the *Proposal Information Page*. Note how the *Proposal Information Page* is divided into four sections which are accessed via the tabs *Basic Information*, *Proposed Services*, *Errors*, and *Attachment*. Clicking on the individual tabs will allow you to navigate between the proposal sections.

In addition, from the *Proposal Information Page*, the user is provided with options to *Delete*, *Submit*, or *Print Proposal Application* by clicking on the down arrow of the dropdown menu entitled *Action*. This dropdown menu with its respective options are available on the *Proposal Information Page* no matter which tab is selected.

Note: If the applicant selects *Delete*, the entire proposal will be deleted. Only correctly completed proposals will qualify for submission. The option to *Print Proposal* is available at any time in the process – whether the proposal has been submitted or if it is still open.

Also note there is an *Eligible to Submit* icon in the *Proposal Header* which provides the applicant with a gauge as to whether or not the proposal is ready for submittal. When you click on the red icon, you will be transferred to the *Errors* tab where a listing of errors is provided. If the icon registers as green, the proposal is ready for submission.

The screenshot displays the Proposal Information Page. At the top is a blue navigation bar with links: Account Home, Invoices, Payments, Contracts, Referrals, Cases, CPI/CPS Portal, and Help. Below this is the 'Proposal Information' section, which includes an 'Action' dropdown menu with options: Delete, Submit, and Print Proposal Application, and a 'Go' button. The 'Proposal Header' section shows 'Proposal ID: 10003333' and 'Request Title: Test2'. To the right of the header is an 'Eligible to Submit' indicator with a red circle icon and the text 'Status: Open'. Below the header is a tabbed interface with four tabs: 'Basic Information' (selected), 'Proposed Services', 'Errors', and 'Attachment'. The 'RFP Information' section is visible below the tabs, containing the following details:

## 4D SELECTING APPLICABLE SERVICES FOR PROPOSAL

The next section of the online proposal submission to be completed is found under the *Proposed Services* tab. Click on the corresponding tab located on the *Proposal Information Page* as indicated below. The *Proposed Services Section* lists those *Services Standards* available for the selected RFP. Note the column indicating the completion status of each referenced service. To begin filling out the *Proposed Services* form(s), click on the corresponding *Service Code*.

The screenshot shows the KidTraks web application interface. At the top left is the KidTraks logo with the tagline 'part of the MaGIK family'. The top right corner displays 'Welcome RFP Tester2' with links for 'Change Vendor' and 'Log Out'. Below this are links for 'Account Profile' and 'Messages', and a search bar. A blue navigation bar contains 'Account Home', 'Cases', 'CPI/CPS Portal', and 'Help'. The main content area is titled 'Proposal Information' and includes an 'Action:' dropdown menu and a 'Go' button. Below this is a 'Proposal Header' section with 'Proposal ID: 10003334' and 'Request Title: Test2'. On the right side of the header, it indicates 'Eligible to Submit' with a red circle icon and 'Status: Open'. A tabbed interface shows 'Basic Information', 'Proposed Services' (which is highlighted), 'Errors', and 'Attachment'. Under the 'Proposed Services' tab, there is a table with three columns: 'Service Code', 'Service Description', and 'Completed'. The table contains three rows of data, each with a 'No' in the 'Completed' column. Red boxes highlight the 'Service Code' and 'Completed' columns in the table.

Service Code	Service Description	Completed

## 4F COMPONENT CODE TABLE

Found next on the *Proposed Services* form is the *Component Code Table* (Billable Units). Here you will find the listing of all components relevant to the selected *Service Standard* within the RFP. This table also provides the applicant with the relevant *Component Codes* (Billable Units), Component Description, their Units of Measure, and their respective standardized rates.

Some Service Standards require that all the components be selected. These components will have a standard rate that cannot be negotiated. These are shown under the *Rate* column. These components with a fixed standard rate will have a field that cannot be edited, as shown below under My Proposed Rate column. In the example below for Home Based Family Centered Casework none of the rates can be edited within this column. By applying for this service your agency agrees to provide the service at the fixed standard rate.

Clicking on the *Go* button opens up the *County Selection* dialog box. Begin by filling in the *Name, Phone* and *Email* fields. Note: Each county and/or region requires the entry of corresponding contact information.

There are two ways to populate the *Counties Selected* field. The first option is to click on the *Filter By Region* dropdown list which will provide a window listing all of Indiana's regions as demonstrated below. See previous page for instructions on accessing a map of Indiana providing a region legend.

For our purposes we've elected to bypass the region option and select by county. Illustrated below is the selection of Carroll County from the *Counties Available* list. Once the desired county is selected, click on the *Select* link to move it into the *Counties Selected* field. Repeat this process to select all counties desired for service representation. Counties may be removed from the *Counties Selected* field by highlighting the applicable counties and clicking on the *Remove* link.
