

Jasper-Pulaski Fish & Wildlife Area
2023 Teal & Early Goose Season

Teal Season: Sept. 9-24

Teal Shooting Hours: Sunrise to noon CT (1 p.m. ET).

Goose Season: Sept. 9–17

Goose Shooting Hours: Half hour before sunrise to noon CT (1 p.m. ET).

Drawing: 4:30 a.m. CT (5:30 a.m. ET).

Shell Limit: 25 shells per hunter.

Note: Water levels are expected to be low to average.

Rules:

- Some areas may be closed due to low water conditions.
- All waterfowl draw areas with available water will be open for hunting.
- Parties of two and three will be given preference in the drawings.
- All areas open for hunting require the use of non-toxic shot.
- Teal & goose hunters may shoot doves, snipe, and rails as part of their shell limit, but they must stay in their designated areas and use non-toxic shot.

Depending on hunter numbers, hunting may go to self-service sign-in later in the season.
