

The Indiana DNR is all about people having fun and enjoying the outdoors, discovering new places to see and understanding the great variety of natural and cultural resources that surround us in state parks, reservoirs and state historic sites. This is just a small sampling of the many activities planned for you to enjoy at DNR properties. To ensure that dates or events haven't changed or to get more details, contact the interpretive naturalist or historian for the event you plan to attend. Their phone numbers are on the back page of this listing or you can ask the gate attendant for details when you arrive. You can also see the many other events we offer by visiting [interpretiveservices.IN.gov](http://interpretiveservices.IN.gov). That calendar page is updated weekly. Browse through this list and join us for a great outdoor experience!
