

Looking for something your family can complete in one weekend or even a single day?

*Then Explore is for you!*

Complete just five requirements on a property, and each participant is eligible to purchase a unique pin representing that property – available only through the Explore program.

To be eligible to purchase a property's unique pin, here is what your family needs to do:

- Attend one interpretive program led by the interpretive naturalist. Check program schedules in advance at [calendar.dnr.IN.gov](http://calendar.dnr.IN.gov). If no programs are available during your visit, call ahead for a self-guided activity/hike/tour option.
- Hike, bike, or paddle for at least 30 minutes on park trails, roads, or navigable waters.
- Complete a site-specific activity assigned by the park.
- Complete one hour of volunteer time. Unless otherwise instructed, pick up litter along the trail, by the pond or lake or river side, or around the playgrounds and picnic areas.
- Report to the interpretive naturalist or staff person about how your volunteer time benefited the property and yourself.

The Explore pin program is part of the Indiana State Park Hoosier Quest Series, which includes a Discover patch and a Challenge patch. For more information, visit [on.IN.gov/hoosierquest](http://on.IN.gov/hoosierquest)

If you completed all the requirements but were unable to purchase your pin, please email [HoosierQuest@dnr.IN.gov](mailto:HoosierQuest@dnr.IN.gov)

*Start collecting memories today!*

There are 32 participating Indiana State Parks, two State Forest Recreation Areas, and one Fish & Wildlife property – that means there are 35 different pins that your family can collect!

**“Building a relationship with the land and people of the Indiana Department of Natural Resources”**

Memories made naturally.

# Complete Just One Property ... or Try For All 35!

*Explore* is available year-round. If visiting in the offseason, call ahead for program availability and additional information.

As your family completes the requirements for each property, make sure an interpretive naturalist or staff person initials it to mark it as completed. Bring your completed brochure to the nature center, visitor center, or property office to purchase that property's unique pin.
