Initial Licensure Comparison

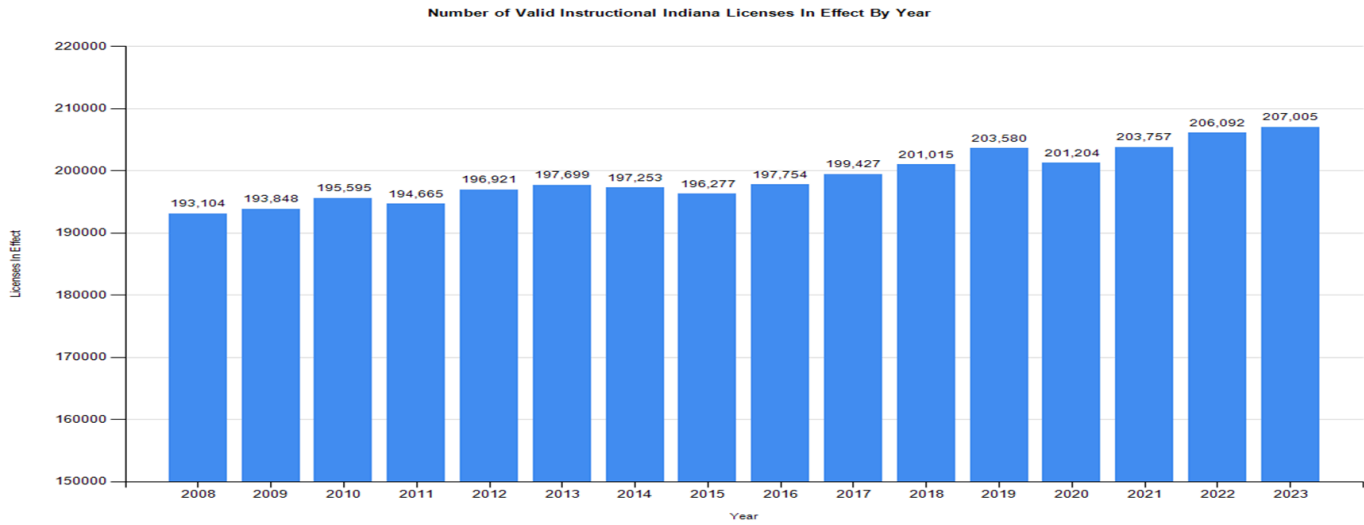

The chart above reflects the number of individuals issued an Indiana instructional license for the first time between July 1 and June 30 of each year. A license holder with multiple content areas is represented once. This chart includes two-year Initial Practitioner and five-year Practitioner licenses issued as first-time licenses and includes holders of Professional Educator Licenses, Workplace Specialist Licenses and Career Specialist Permits.

New Instructional Licensure Comparison

The chart above reflects the number of new instructional licenses by content area issued between July 1 and June 30 of each year. The numbers reflected in each bar reflect a count of unique licenses and includes Professional Educator Licenses, Workplace Specialist Licenses and Career Specialist Permits. A person holding a license with multiple content areas is counted multiple times.

Valid Instructional Licenses in Effect Comparison

The chart above reflects the number of standard or “full” instructional licenses valid on June 30 of each year. A teacher with multiple content areas on an instructional license will be counted multiple times.
