2023 Annual Licensure Data Report

As required by Indiana Code (IC) 20-28-5-22.4, the Indiana Department of Education (IDOE) is to annually report the total number of teachers who:

- Hold licenses in one or more content areas
- Teach in the content area for which the teacher holds a teaching license
- Teach under a license or permit issued by IDOE, completed a teacher preparation program as defined in IC 20-28-3-1(b), and have not passed the teacher licensing examinations identified in section 12.

Further, IC 20-28-5-22.4 requires IDOE to report the percentage of teachers completing an Indiana educator preparation program teaching in Indiana five and 10 years after completion of the program, disaggregated by educator preparation program.

IC 20-28-5-22.4

1. As of October 26, 2023, the total number of teachers who hold a valid license in one or more content areas is **235,467**. This total includes instructional, school services, and administrative license types.
2. For the 2022-2023 school year, the total number of teachers who were teaching in at least one content area for which the teacher holds a teaching license is **61,409**.
3. As of September 25, 2023, the total number of teachers who teach under a license or permit issued by IDOE, completed a teacher preparation program (as defined in IC 20-28-3-1(b)), and have not passed the teacher licensing examinations required to hold a license under IC 20-28-5-12 is **294**.

Please note:

- Individuals holding only a substitute teacher permit are not included in the data above.
- The total in #1 above includes licenses held by persons not currently teaching (retired, moved out-of-state, employed in another field, deceased, etc.) but who still have an active (valid) license.
- The total in #2 above is based on reporting from local educational agencies (LEAs).
