## Certificate of Multilingual Proficiency

The Certificate of Multilingual Proficiency is a recognition program and validation of student achievement in language proficiency both in English and another language. This is a celebration for both world language students and English Learners alike as both work hard to develop sustained functional abilities in a new language. Indiana's Certificate asks that students achieve an equivalent of an Intermediate High level of proficiency on the ACTFL Proficiency Scale found [here](#).

The following list of schools delineates the Indiana high schools that have opted to honor the graduates of the Class of 2022 by participating in the Certificate of Multilingual Proficiency program.
