

# Check the Door **ONCE! MORE!**

Children are being caught in the school bus service door by their backpack in **unprecedented numbers**. It is critical as school bus drivers that you **avoid distraction** during the loading and unloading process.

Your **heightened awareness** and diligence in checking the door once more could **save the life of a child.**

Before pulling away  
at the bus stop...  
Remember to  
always

**“CHECK THE  
DOOR  
ONCE MORE”**
