Re: NOTIFICATION OF MASS LAYOFF

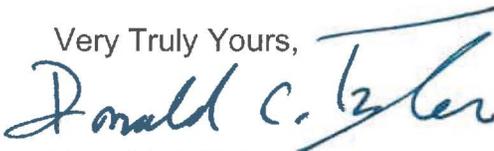

Dear WARN Act Coordinator:

We regret to inform you that Masonite Corporation is reducing its active workforce at its Walkerton, Indiana interior door facility located at 111 Muskin Drive, Walkerton, Indiana 46574. Masonite anticipates that at least 33% (74 to 84) of the 220 jobs at the facility will be eliminated during a thirty-day period beginning September 28, 2022. We expect the employment loss at the Walkerton facility to be permanent. The reduction in force is the result of changing business needs in the region.

Masonite will continue to employ all workers at the Walkerton facility through at least November 27, 2022. The affected employees are not represented by a union. Bumping rights do not exist. A list of the job title classifications to be affected, and the number of affected employees in each job title classification is attached. All affected employees have been notified.

For further information, please contact Lisa Shields, Human Resources Vice President, at (813) 739-2806.

Very Truly Yours,

Donald C. Tyler  
Senior Corporate Attorney

cc: Town of Walkerton
