Indiana Department of Workforce Development  
Workforce Transition Unit, SE308  
10 North Senate Avenue  
Indianapolis, IN 46204-2277

This letter will serve as official notice under the Federal Worker Adjustment and Retraining Notification (WARN) Act, that a layoff impacting the hourly and salaried associates at Morrison Healthcare and members of Compass Group North America will take effect on January 25, 2023. Morrison has lost the food service contract within Lutheran Hospital. Employees at the following locations will be impacted. The layoff will be on January 25, 2023. This will impact about 126 food service associates across the various hospital locations. Notices to these impacted employees have been issued by hand. Notices have also been sent to the Mayor of Warsaw and Fort Wayne.

We expect this action will be permanent, and we reasonably anticipate that most employees will be hired by the new vendor. The impacted workers are not represented by any labor organization or union therefore no bumping rights exist.

The job titles of the affected positions and the number of affected employees across the locations in each job classification are listed on page 2.
