RE: Training for Habilitation, Respite, & Training and Support for the Unpaid Caregiver

Effective August 28, 2023, the training to become a Habilitation (HAB), Respite, and Training and Support for the Unpaid (FST) provider for the Child Mental Health Wraparound (CMHW) program is being revised. Applicants are still required to submit their resume to the Division of Mental and Addiction (DMHA) for approval. Resumes may be submitted to DMHAyouthservices@fssa.in.gov.

After applicants have been informed that their resume has been approved, DMHA will provide the applicant with key information and next steps on the training process. Applicants will be required to successfully complete all training requirements before they can apply to become a CMHW provider. Any previous training certificates or approvals will no longer be accepted after August 28, 2023.

All questions regarding this policy may be directed to DMHAyouthservices@fssa.in.gov
