

Indiana Pregnancy Promise Program

**Promoting Recovery from Opioid use:
Maternal Infant Support and Engagement**

What is the Indiana Pregnancy Promise Program?

The Indiana Pregnancy Promise Program is a free, voluntary program for pregnant Medicaid members who use opioids or have used opioids in the past. The goals of the Pregnancy Promise Program are for participants to:

- Enter prenatal care
- Access opioid treatment needed to achieve sustained recovery
- Receive ongoing support and follow-up care for the mother and infant during and after pregnancy
- Provide hope and set a strong foundation for the future

Why is the Indiana Pregnancy Promise Program important?

- Opioid use disorder during pregnancy is increasing in Indiana and nationwide
- Treatment of opioid use disorder during pregnancy has a high rate of success
- Treating opioid use during pregnancy reduces the risks of harmful effects to mothers and infants

Who can participate?

The Pregnancy Promise Program is available to pregnant individuals in the state of Indiana. To be eligible, participants must meet the following criteria:

- Pregnant or within 90 days of the end of pregnancy
- Identify as having current or previous opioid use
- Be eligible for or receive Medicaid health coverage

What are the Pregnancy Promise Program benefits?

- **Connection:** Participants in the Pregnancy Promise Program will be matched with a case manager. Case managers will offer confidential support during enrollment to be sure parents and infants receive the care and resources they need during and after pregnancy to be healthy and well.
- **Coordination:** Pregnancy Promise Program case managers will work with participants and their team of doctors and providers to coordinate care and identify community resources for families.
- **Prevention:** By connecting pregnant individuals with health care and treatment as early as possible, the Pregnancy Promise Program aims to reduce and prevent the negative impacts of opioid use to the parent and child.
