A horse that has not started in the previous 240 days is not eligible to start at Horseshoe Indianapolis until it has successfully completed a racing soundness examination administered by the Regulatory or Track Veterinarian. If the Regulatory or Track Veterinarian conducting the racing soundness examination finds the results of the examination to be unsatisfactory or inconclusive as to the racing soundness of the horse, the Veterinarian may, at his or her sole discretion, place the horse on the Veterinarian's List and establish conditions for removal from the list including, but not limited to, laboratory testing of biological samples and an official workout of a specified distance completed within a specified minimum time.

ATTENTION TRAINERS: Please make certain you, your owners and your employees have completed the Indiana Horse Racing Commission licensing process for 2023.
