ADMINISTRATIVE ACTIONS, NOTES, COMMENTS

ALL TURF RACES: PROGRAM CORRECTION – the turf rail is set at 36 feet, not 48 feet as indicated in the program.

RACE 2: Superfecta wagering canceled – scratched down to five runners.

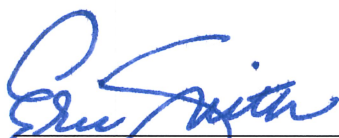

RACE 3: Program correction - #2 HAPPY SAILS raced with blinkers in her last start and races with blinkers today.

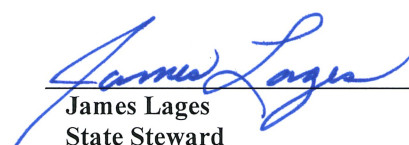

RACE 5: Voided claim – the claim on #3 BRIT'S WIT was voided because the horse cooled out lame in the test barn and will be placed on the Veterinarians' List (HISA 2262)

RACE 6: Inquiry – to review action shortly after the start during which the #8 MARTZ ROSEY was shut-off between horses. MARTZ ROSEY finished ahead of both horses that bothered her; no action was taken.

RACE 8: Voided claim – one of the three claims on #5 ONE FOR RICHIE because the horse's name was spelled incorrectly and the claimant did not have sufficient funds in their horsemen's account.

RACE 10: Three-strike violation – Giovanni Vazquez-Gomez violated the three-strike rule for the 4th time this meet; 3 race day suspension and \$500 fine.

House Rule: Recency Requirements for Horseshoe Indianapolis | This House Rule will supersede IHRC Regulation 71 IAC 7.5-4-1 as it applies specifically to a horse that has not started for a period of two hundred & forty (240) days or more. A horse that has not started in the previous 240 days is not eligible to start at Horseshoe Indianapolis until it has successfully completed a racing soundness examination administered by the Regulatory or Track Veterinarian. If the Regulatory or Track Veterinarian conducting the racing soundness examination finds the results of the examination to be unsatisfactory or inconclusive as to the racing soundness of the horse, the Veterinarian may, at his/her sole discretion, place the horse on the Veterinarian's List & establish conditions for removal from the list including, but not limited to, laboratory testing of biological samples & an official workout of a specified distance completed within a specified minimum time.

ATTENTION TRAINERS: Please make certain you, your owners & your employees have completed the Indiana Horse Racing Commission licensing process for 2023. In addition, please be aware that the entire ownership for your horse(s) racing must be taken care of prior to race day. Indiana does not have a temporary license (as in other jurisdictions) & they have limited hours. IHRC direct dial (317.713.3350).

Thoroughbred trainers are strongly encouraged to send two (2) attendants with each horse that is required to go to the IHRC Test Barn.

Reminder: The HISA riding crop rule applies to all breeds during training. Only specific crops are permitted. To be in compliance with the rules, all crops must have a 360-degree padded foam cylinder or be the ProCush Flat Race Whip by Old Mill Saddlery (this is the ONLY flat crop that is permitted). A list of all conforming crops is available in the Racing Office.
