Today I'm going to write about why it is important for every children to get quality education I am going to tell you why it is that ~~very~~ kids to get education. It is important because if children didn't get a good education they wouldn't be smart, They wouldn't be a successful person, they wouldn't find a good job. So if you want to be a good, loving, and successful person in life you need to go to school, and download all the information from school, and be free get into a good collage, and be successful, get good friends, be nice, and don't be a bully, cause if you are you might not be a good friend...:c. and believe me that's sad. And no matter if you are white, black, or colored you need to get a good education. It does not matter what skin color you are what matters is that you like to study to pass I'm in 4th grade and believe me 4th grade is hard. But on I step I worked hard, I did my best, and I didn't give up. On any test you have to take your time and do your best and forget the rest. If you want to do something go for it but studying always comes first. So remember do your best and forget the rest. When you want
