Re: State of Indiana 2020-2024 Consolidated Plan Stakeholder Survey

The State of Indiana, as a recipient of funds from the U.S. Department of Housing and Urban Development (HUD), is conducting a survey to collect updated information on housing and community development needs in the state to inform its new Five-year Consolidated Plan. The Consolidated Plan sets the strategic vision for the allocation of housing and community development block grant funds between 2020 and 2024.

This survey is designed for people who work in the fields of housing and community development, lending, social services, fair housing, and advocacy. Because this study is focused on the state's smaller cities and rural areas, we are especially interested in hearing from people who work in these communities. We also welcome input on statewide issues that affect Indiana residents, regardless of where they live.

You can access the survey online at: <https://www.research.net/r/2020Indiana>

Please invite others in your field to participate in the survey. This survey closes on **February 29, 2020**.

If you need translation of the survey into a language other than English or a reasonable accommodation to take the survey, please contact hello@rootpolicy.com or 970-880-1415.

IHCDA will release separate RED notices when the Consolidated Plan and Annual Action Plan are expected to be released for public comment, the date and locations of the Public Hearings, and when the IHCDA Allocations Plans regarding the HOME Investment Partnerships Program, Community Development Block Grant – Owner Occupied Repair Program and the National Housing Trust Fund are released for comment.

If you have questions about the Consolidated Plan process or this survey, please contact Samantha Spergel, Director of Real Estate Strategic Initiatives and Engagement at sspergel@ihcda.in.gov.
