## **PART 1**

## **SCOPE OF THIS REQUEST**

### **1. PURPOSE OF THIS REQUEST FOR PROPOSAL (“RFP”)**

The Indiana Housing and Community Development Authority (“IHCDA”) seeks a contractor who will conduct the 2023 annual evaluation of the Coordinated Entry System established by the Indiana Balance of State Continuum of Care (“IN BOS CoC”).

### **2. ABOUT THE INDIANA HOUSING AND COMMUNITY DEVELOPMENT AUTHORITY**

#### **MISSION STATEMENT**

The IHCDA creates housing opportunities, generates, and preserves assets, and revitalizes neighborhoods by facilitating the collaboration of multiple stakeholders, investing financial and technical resources in development efforts, and helping build capacity of qualified partners throughout Indiana.

#### **VISION**

At IHCDA, we believe that growing Indiana's economy starts at home. Everyone can agree that all Hoosiers should have the opportunity to live in safe, affordable, good-quality housing in economically stable communities. That's the heart of IHCDA's mission. Our charge is to help communities build upon their assets to create places with ready access to opportunities, goods, and services. We also promote, finance, and support a broad range of housing solutions, from temporary shelters to homeownership.

IHCDA's work is done in partnership with developers, lenders, investors, and nonprofit organizations that use our financing to serve low and moderate-income Hoosiers. We leverage government and private funds to invest in financially sound, well-designed projects that will benefit communities for many years to come. And our investments bear outstanding returns. The activities that we finance help families become more stable, put down roots, and climb the economic ladder. In turn, communities grow and prosper, broadening their tax base, creating new jobs, and maximizing local resources. IHCDA's work is truly a vehicle for economic growth, and it all starts at home.

#### **AGENCY OVERVIEW (for more information visit <http://www.in.gov/ihcda/>)**

IHCDA was created in 1978 by the Indiana General Assembly and is a quasi-public financially self-sufficient statewide government agency. IHCDA's programs are successful in large part because of the growing network of partnerships IHCDA has established with local, state, and federal governments, for-profit businesses and not-for-profit organizations. For-profit partners include investment banks, mortgage lenders, commercial banks, corporate investment managers and syndicators, apartment developers, investors, homebuilders, and realtors. Not-for-profit partners include community development corporations, community action agencies, and not-for-profit developers.

#### **BOS COC OVERVIEW**

IHCDA is the Collaborative Applicant and Homeless Management Information System (HMIS) Lead Agency for the IN BoS CoC. The IN BOS CoC, which is funded by the United States Department of Housing and Urban Development (HUD), is a network of program providers charged with empowering communities to end homelessness in Indiana. The network serves 91 of Indiana's 92 counties. The 91 counties are divided into 16 service regions. The network is led by a Board of Directors made up of representatives who work in the arena of homeless services, property management, and other related fields. The Board and its committees also include individuals who have experienced homelessness. HUD requires that CoC projects utilize a Coordinated Entry System (CES) to coordinate the intake, assessment, and provision of referrals for housing to participants who are experiencing homelessness or are at risk of it. Each of the 16 service regions

is led by a CE Lead Agency. The CE Lead Agency ensures CES providers adhere to the IN BoS CoC's CES guidelines while also cultivating a community-wide response and setting local priorities within its service region. The IN BOS CoC Board of Directors is responsible for overseeing CES and appointing CE Leads. Additionally, the CE Steering Committee, which is seated by CE Leads and staff, is charged with ensuring the CES is operated throughout the BOS effectively and with uniformity. As the Collaborative Applicant, IHCDa facilitates a variety of CES-related training sessions as well as providing guidance and updating written policies and procedures. IHCDa also serves as the liaison between the IN BOS CoC organizations and HUD.
