Re: **Emergency Solutions Grant CARES Funding – Proposed Substantial Amendment
– Allocation of ESG-CV Funding**

This notice concerns the allocation and administration of ESG-CV funds.

In order to be responsive to the needs of Indiana in preparing, preventing, and responding to coronavirus and its impact on people at risk of and experiencing homelessness, IHCDA routinely reevaluates our funding decisions and capacity needs and support for subrecipients throughout the period of performance.

Consistent with the terms of all subrecipient grant agreements or contracts, IHCDA intends to utilize ESG-CV funding between selected activities and to include additional ESG-CV activities if/when necessary, based on infection control needs and response efforts related to preventing, preparing and responding to COVID-19.

The Indiana Housing Authority will use ESG-CV allocation 1, ESG-CV allocation 2, and ESG-CV allocation 3 of \$32,435,627 to fund the following ESG activities as needed by IN-ALL (Balance of State) to prevent, prepare, and respond to COVID-19:

1. Rapid re-housing
2. Street outreach
3. Emergency shelter
4. Homelessness prevention
5. Homeless Management Information System (HMIS)
6. Administrative expenses
7. Additional activities allowed by HUD policy, guidance and approved waivers.
