

COORDINATED ENTRY “HOW TO GUIDE”:
CHANGING THE WORKGROUP AND ORGANIZATION IN HMIS

For access to Coordinated Entry in HMIS, the “Workgroup” and Organization” must be changed. Following are the instructions on moving back and forth between the “2020 HMIS User” workgroup (*used for regular/normal data entry for your agency’s programs and projects*) and the “2020 Coordinated Entry” workgroup (*used for all Coordinated Entry related data entry*).

1. Sign in to HMIS with your Username and Password

2. On the next screen, click on your “Initials” in the upper right-hand corner. From the drop-down menu under “Workgroup” select “2020 Coordinated Entry”
3. Next, click on the “Organization” drop-down arrow and then, find and click on the “Coordinated Entry Region #” for your region. (*Please take care to choose the correct Region number for the “Organization”*)
4. Click on “Apply”

COVID-19 Vaccine Assessment is LIVE!

from your administrator, Grant Peters

Hello HMIS end users,

The HMIS team is very excited to announce the implementation of the "COVID-19 Vaccine Assessment", for tracking admin HMIS ClientTrack system. In this assessment, you can track the first and second dose of the vaccine, what vaccine was ad collection options for this important initiative. If the client has received the Johnson and Johnson vaccine, the system ha considered fully vaccinated. Eccovia is committed to updating this assessment as more vaccines become available. If the the assessment also has the functionality to track their reason for that. Even if the client opts out of rec beneficial for other HMIS ClientTrack participating agencies to know, as they work with this client in the future. Please ens data for all clients you serve, as this data will be critically important as we inch our way out of this pandemic.

This new assessment can be found under the client workspace, under "Other Client Assessments", and other helpful resources, can be found at the HMIS/DV ClientTrack BoS site [here](#)

The how to guide also contains information on reporting out on this data through the data explorer functionality on the re questions, or require access to data explorer for reporting out, don't hesitate to reach out to the help desk at [HMIShelpdes](#)
