Re: **Request for Proposals – Statewide Energy Consumption Analysis**

The Indiana Housing and Community Development Authority seeks to contract with an individual or entity to provide a statewide energy consumption analysis which will compare data related to units assisted through the Weatherization Assistance Program (WAP), twelve months prior to and post weatherization. The results will be provided at the State and sub-grantee level and will offer quantifiable evidence of the impact of the WAP, as detailed in the Scope of Work section of this RFP.

The primary goal of this study is to assess the energy impacts of WAP. The Respondent, if selected, will be responsible for obtaining data directly from utility companies throughout the state, but IHCDA will leverage current relationships to assist, as necessary.

Click [here](#) to access the RFP.

Responses must be submitted via email.

All documents must be submitted in PDF format only to:

Greg Glassley, Director of Energy and Utility Programs
Indiana Housing and Community Development Authority
30 South Meridian Street, Suite 900
Indianapolis, IN 46204
GGlassley@ihcda.in.gov

The deadline for submission is Monday, September 26, 2022 at 5:00 PM Eastern Time.

Applications that miss the submission deadline, do not contain all of the required forms/documents as listed in this RFP, may be determined ineligible for further consideration.
