Subject: Weatherization Readiness Funds

Effective March 21, 2023 the following IHEDA guidance is in effect.

On January 27, 2023, Department of Energy (DOE) released Weatherization Program Notice 23-4 (WPN 23-4), which expanded the scope of Weatherization Readiness Funds (WRF) and superseded WPN 22-6. This guidance from IHEDA is as follows:

- For units that utilize WRF, the deferral measures must be completed by March 31 of the current DOE Program Year
- Any WRF unit completed by March 31 of the current DOE Program Year must be weatherized by June 30 of the following DOE Program Year
- WRF may be used with either annual formula-funded DOE units or DOE BIL-funded projects.
