**Note to File #1**

**December 14, 2023**

**Subject:** Lead Des. No. 2001154, State Road (SR) 11 Roadway and Buck Creek Bridge Project - Environmental Note to File (Lochmueller Group #120-0046-01H)

**Preparer:** Daniel Townsend, Environmental Specialist III

An Environmental Assessment (EA) document was certified for the above referenced project (Lead Des. No. 2001154) on October 11, 2023 and the Federal Highway Administration (FHWA) Finding of No Significant Impact (FONSI) was issued on December 7, 2023. Des. No. 2201171 for the Buck Creek bridge construction has been added to Contract R-42857 under Lead Des. No. 2001154. All impacts for the Buck Creek bridge construction were covered in the EA and FONSI. This Note to File (NTF) is to only add the Des. No. 2201171 for the bridge work.
