LEGAL NOTICE OF UPCOMING CONSTRUCTION – DES#1700045 Proposed small structure replacement project is located on SR 58, 9.90 miles east of SR 446 at an unnamed tributary (UNT) to South Fork Salt Creek in Pershing Township, Jackson County, Indiana.

The purpose of this project is to provide a small structure with a rating of at least 7 (good) or higher at this location. The proposed project includes replacement of the existing culvert with a 14-foot by 6-foot reinforced concrete box culvert. Work will occur within the waterway with placement of riprap at the inlet and outlet. The project also includes roadway work; the approaches will consist of two, 10-foot through lanes with 6-foot usable shoulders. Full road closure will be required throughout construction. Maintenance of Traffic (MOT) will include a detour of approximately 23 miles using SR 446, US 50, and SR 135. Access to all properties will be maintained throughout construction. The project requires approximately 0.60 acre of permanent ROW from residential, agricultural, and forest property. The proposed start of construction is summer 2022.

Federal and state funds are proposed to be used for construction of this project. INDOT and the Federal Highway Administration have agreed that this project poses minimal impact to natural environment. A Categorical Exclusion (CE) Level 2 environmental document has been prepared for the project. The environmental documentation and preliminary design information is available to view at the following locations:

1. Online via INDOT website; <https://www.in.gov/indot/4267.htm>.
2. Interested persons may request project documents be mailed by submitting the request to the attention of Jennifer Weintraut, Environmental Scientist, Weintraut & Associates Inc., Phone: (317) 733-9770, or email Jennifer@weintrautinc.com.
3. The Brownstown Public Library (120 E Spring St., Brownstown, IN 47220)
