RE: FY2012 - FY2015 Indiana State Transportation Improvement Program (STIP) administrative modification #10

Dear Ms. Simon;

Please find attached a Metropolitan Planning Organization TIP administrative modification **from the Evansville Metropolitan Planning Organization**. The Administrative Modification was requested on May 10, 2012. We concur with this administrative modification and it will be reflected by reference in the 2012-2015 STIP.

**The modification is to revise the funding split to 80/20 for the vehicle retro-fit project (DES #1173754). The federal amount remains the same but the local amount will increase to \$43,797.**

We have determined that the administrative **modification** is: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects and 3) conform to state and national air quality standards as required by the Federal Clean Air Act Amendments of 1990.

Please contact me at (317) 232-5292 if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Larry Buckel".
