RE: FY2012 - FY2015 State Transportation Improvement Program (STIP) Transit Amendment #6

Dear Ms. Simon;

Please find attached a Metropolitan Planning Organization TIP amendment which must be approved and included into the FY 2012 State Transportation Improvement Program. We will reflect by reference the 2012 – 2015 federal aid projects covered by this approval in our 2012 - 2015 STIP. The amendment is for the Indianapolis Metropolitan Planning Organization. The projects to be added and revised are as follows:

MPO	Project Description	DES #	New Federal Amount	Section
Indy - IndyGo	Replacement of 4 Buses with Hybrid Buses	1173471	\$2,000,000	CMAQ
Indy - CIRT	Reverse Commute Transit Service (FY 2012)	1173461	\$ 120,000	CMAQ
Indy - CIRT	Reverse Commute Transit Service (FY 2013)	1173461	\$ 120,000	CMAQ
Indy - CIRT	Reverse Commute Transit Service (FY 2014)	1173461	\$ 120,000	CMAQ

We have determined that the proposed amendments are: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects and 3) conform to state and national air quality standards as required by the Federal Clean Air Act Amendments of 1990.

We request your review and approval of the subject amendment. Please contact me at (317) 232-5292 if you have any questions.

Sincerely,

Larry Buckel
Manager
Office of Transit

4th Quarter 2011 IRTIP Amendments

Resolution Number 11-IMPO-008

November 16, 2011

INDIANAPOLIS METROPOLITAN PLANNING ORGANIZATION

INDIANAPOLIS REGIONAL TRANSPORTATION COUNCIL
POLICY COMMITTEE

Resolution Number 11-IMPO-008

A RESOLUTION amending the 2012-2015 Indianapolis Regional Transportation Improvement Program.

WHEREAS, the 2012-2015 Indianapolis Regional Transportation Improvement Program (IRTIP) incorporates projects proposed by local governments and agencies within the Indianapolis Metropolitan Planning Area; and

WHEREAS, the projects contained in the proposed IRTIP amendment have been reviewed as to their immediate impact and importance to the continued improvement of the transportation system operating within the area; and

WHEREAS, changing conditions necessitate periodic amendments to the IRTIP; and

WHEREAS, section 176(c) of the Clean Air Act, amended in 1990, required that the Transportation Conformity Rule establish criteria and procedures by which the Federal Highway Administration (FHWA), the Federal Transit Administration (FTA), and metropolitan planning organizations (MPOs) determine the conformity of federally funded or approved highway and transit plans, programs, and projects to state implementation plans (SIPs) prepared for criteria pollutants; and

WHEREAS, the MPO consulted with the Interagency Consultation Group and the agencies concurred in the MPO finding that the TIP amendment projects are exempt, per 40 CFR 93.126 & 127, and there is no need to update the conformity analysis or issue a new conformity finding; and

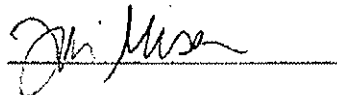

WHEREAS, the proposed IRTIP amendments were made available for public comment and comments received were provided to the Indianapolis Regional Transportation Council Policy Committee (IRTC); and

WHEREAS, the IRTC Policy Committee is the approval body for all transportation-related activities of the Metropolitan Planning Organization for the Indianapolis Urbanized Area under applicable U.S. Department of Transportation regulations;

NOW, THEREFORE, BE IT RESOLVED, that the IRTC hereby approves the amendment to the 2012-2015 Indianapolis Regional Transportation Improvement Program as shown on the attached Exhibit A.

The above and foregoing resolution was adopted this 16 day of November 2011 by the IRTC Policy Committee.

DATE: 11-16-11

Lori Miser, Executive Director
Indianapolis MPO
