

2018 Year In Review

1,727

Completed Conservation Practices

\$1.18M

Awarded in 22 CWI grants to 32 SWCDs and other conservation organizations in Fiscal Year 2019

234,019

Pounds of Nitrogen reduced from entering waters of the State, which would fill a train car

116,945

Pounds of Phosphorus reduced from entering waters of the State, which would fill half of a train car

228,684,000

Pounds of Sediment reduced from entering waters of the State, which would fill 1,143 train cars

Kenny Cain and Brad Dawson joined the State Soil Conservation Board.

73,000

Acres Enrolled in INfield Advantage by 375 producers in 33 local groups

2,240

Acres Completed in 2018 in the Conservation Reserve Enhancement Program

None of these gains would have occurred had it not been for the dedicated team of conservation professionals who make up the Division of Soil Conservation and go to work every day to serve Hoosiers and conserve Indiana's most precious resources.
