

# ELECTRONIC DATA INTERCHANGE TRADING PARTNER AGREEMENT FOR INDIANA HEALTH COVERAGE PROGRAMS

## I. Overview

The Trading Partner identified below wishes to exchange electronic transactions with Indiana Medicaid and the Children’s Health Insurance Program for the purposes of determining member eligibility, claim submission and payment, and similar business transactions. This agreement establishes the terms and conditions between the Trading Partner and Indiana Medicaid/Children’s Health Insurance Program regarding such exchange of electronic transactions.

## II. Parties

- A. The Indiana Family and Social Services Administration (“FSSA”) is the state agency, as designated by Indiana law, to administer the Indiana Medicaid program under Title XIX of the Social Security Act. FSSA also administers the Children’s Health Insurance Program (CHIP) under Title XIX of the Social Security Act.
- B. This agreement (“Trading Partner Agreement” or “Agreement”) is by and between FSSA and the Trading Partner identified below.
- C. Routine communications regarding data transmissions may be directed to the “Fiscal Agent” for the Indiana Medicaid and CHIP programs, Gainwell Technologies (hereinafter referred to as “Fiscal Agent”), by contacting:

### III. Terms and Conditions

- A. Term. The term of this Agreement is for four (4) years from the date this Agreement is executed (signature date below) and may be renewed in four (4) year increments thereafter unless terminated by either party as provided herein. Either party may terminate this Agreement, with or without cause, by providing the other party thirty (30) days prior written notice; provided however:
1. If Trading Partner is in material breach of this Agreement and fails to cure such breach within thirty (30) days of written notice by FSSA, FSSA may immediately terminate this Agreement thereafter and cease exchanging Data with the Trading Partner; FSSA, at its sole discretion, may provide additional time for the Trading Partner to cure such breach if such extension is reasonable based on the circumstances.
  2. If this Agreement ceases to comply with applicable statutory or regulatory requirements under federal or state law, and the parties are unable to mutually agree to a new Trading Partner Agreement that complies with such requirements, FSSA may immediately terminate this Agreement and cease exchanging Data with Trading Partner.

## B. Additional Terms and Conditions

1. FSSA and the Trading Partner will exchange electronic transactions (collectively, the “Data”); such transaction types and exchange or transmission methods (e.g., batch or interactive) may include and are limited to the following:
  - 270 – Batch Eligibility Request
  - 270 – Interactive Eligibility Request
  - 271 – Batch Eligibility Response
  - 271 – Interactive Eligibility Response
  - 276 – Batch Claim Status Request

  - 837I – Batch Health Care Claim Institutional
  - 837P – Batch Health Care Claim Professional
2. This Trading Partner Agreement supersedes any and all previous Trading Partner Agreements, or other agreement(s) between the parties with respect to the Data specified herein.
3. All instructions or interpretations issued to the Trading Partner by FSSA concerning this Agreement or the Data shall not be valid unless issued in writing by FSSA, including written instructions provided via the [Indiana Medicaid website](https://www.in.gov/medicaid) at in.gov/medicaid.
4. Each party agrees to take reasonable care to ensure the Data submitted to the other party in each electronic transaction is timely, complete, accurate, and secure; and, will implement reasonable safeguards over the Data to prevent unauthorized access to or improper disclosure of the Data including, but not limited to the electronic transmission of the Data between the parties. Further, the Trading Partner agrees that it will comply with FSSA’s requirements, as identified by its fiscal agent, regarding the encryption of the Data for electronic transmission between the parties and the method and means by which the Data transactions are electronically exchanged between the parties, including batch and interactive transactions.

5. Unless otherwise agreed to in writing by FSSA, the Trading Partner agrees that the Data furnished to the Trading Partner by FSSA under this Agreement shall be used solely for the purposes described herein and will not be used by or disclosed to any third party except to subcontractors or agents of the Trading Partner performing services relevant to this Agreement on the Trading Partner's behalf and that such subcontractors or agents are to be contractually obligated to safeguard the Data with the same level of care required of the Trading Partner hereunder and not use or further disclose the Data except as may be legitimately provided for in such contract. This obligation of the Trading Partner to safeguard the Data continues beyond the termination of the agreement.
6. Data Instructions.
  - a. The Trading Partner must identify which Data transactions it wishes to conduct with FSSA in Section II of this Agreement, including transmission method.
  - b. The Trading Partner may change (add or remove) which Data transactions it conducts with FSSA, including transmission method, by providing the Fiscal Agent with thirty (30) days advance, written notice; such notice will amend Section II of this Agreement accordingly.
  - c. The method and means by which the Data transactions will be electronically exchanged between FSSA and the Trading Partner, including batch, interactive, and encryption requirements will be provided to the Trading Partner as separate instructions from the Fiscal Agent. The Trading Partner acknowledges that such instructions may be modified from time-to-time by FSSA or the Fiscal Agent and agrees to follow such instructions within the timeframe imposed by FSSA or the Fiscal Agent.
7. HIPAA TCS.
  - a. All Data transactions will be conducted as Standard Transactions as that term is defined in 45 CFR Parts 160 and 162, Health Insurance Reform; Standards for Unique Health Identifier for Health Care Providers, Standard for Unique Health Employer Identifier, and Standards for Electronic Transactions and Code Sets (collectively, "HIPAA TCS"), including any modifications made to HIPAA TCS by the Department of Health and Human Services ("HHS").
  - b. From time-to-time HHS may modify HIPAA TCS; the Trading Partner understands and agrees that it will, at its own expense, undertake whatever modifications to its computer systems that are necessary to comply with such modifications to HIPAA TCS and do so within the compliance dates set forth therein. Further, the Trading Partner agrees that it will cooperate with FSSA and the Fiscal Agent regarding the testing of any such modification following a plan and timeline imposed by FSSA and/or the Fiscal Agent.
8. The Trading Partner acknowledges that it is either a Covered Entity and/or a Business Associate of the Indiana Medicaid enrolled provider(s) listed in section II D 1 above, as those terms are defined in CFR 45 Parts 160 and 164 Standards for Privacy of Individually Identifiable Health Information ("HIPAA Privacy Rule"); and, the Trading Partner agrees that as a Covered Entity and/or Business Associate it must comply with

the applicable standards under CFR 45 Parts 160, 162, and 164, commonly referred to as HIPAA Administrative Simplification including, but not limited to, implementing appropriate administrative, technical, and physical safeguards to protect the confidentiality, integrity, and availability of Protected Health Information (as that term is defined therein) that it receives, creates, or maintains. Further, the Trading Partner acknowledges that it is subject to certain civil and criminal penalties under HIPAA Administrative Simplification for violations of the standards therein.

9. The Trading Partner agrees that the exchange of Data with FSSA will be done at the Trading Partner's sole expense and that FSSA is not directly or indirectly responsible for any of the Trading Partner's costs associated with the Data exchange contemplated under this Agreement.
10. Communications and Notice.
  - a. Standard operating procedure shall be that communications between the parties will be between the primary contact for the Trading Partner and the Fiscal Agent as identified in Section II above.
  - b. Formal notice by either party shall be in writing to the other party's primary contact identified in Section II above and shall be sent by prepaid, certified mail return receipt requested; such notice shall be deemed effective upon receipt. Formal notice is required for termination of this Agreement, notice of material breach of this Agreement, requests for amendments to this Agreement, notice of ownership or change of control, and similar notices that would not be considered routine communications regarding the exchange of Data transactions between the parties.
11. Severability. The invalidity of any section, subsection, clause, or provision of this Agreement shall not affect the validity of the remaining sections, subsections, clauses, or provisions of this Agreement.
12. Breach Notification.
  - a. As a Covered Entity and/or Business Associate under HIPAA Administrative Simplification, the Trading Partner acknowledges that it is subject to 45 CFR Parts 160 and 164, Subpart D, Breach Notification for Unsecured Protected Health Information ("HIPAA Breach Rule").
  - b. With respect to the Data provided to the Trading Partner by FSSA and to the extent that such Data includes Protected Health Information (as that term is defined in the HIPAA Privacy Rule), should the Trading Partner discover that the Data has been improperly disclosed in violation of the HIPAA Privacy Rule, whether or not such disclosure has or has yet to be determined to be a Breach (as that term is defined in §164.402 of the HIPAA Breach Rule), the Trading Partner will:
    - i. Provide notice to the Fiscal Agent within two (2) business days of its discovery of the improper disclosure;
    - ii. Such notice will include as many details regarding the improper disclosure as the Trading Partner can ascertain to that point (e.g., source of the disclosure, information disclosed, recipient of the disclosed information, how the disclosure occurred, etc.);

- iii. Fully cooperate with FSSA and the FSSA HIPAA Compliance Office regarding the improper disclosure, including but not limited to: (1) the ongoing results of the Trading Partner's investigation; (2) determination of whether the improper disclosure constituted a Breach; (3) preparation of written and other notice to the individual(s) subject to the Breach in accordance with the HIPAA Breach Rule; (4) preparation of any public notice regarding the Breach as may apply; (5) mitigation activities undertaken by the Trading Partner; and, (6) corrective actions the Trading Partner has or plans to implement.
  - c. The Trading Partner understands and agrees that it is responsible for any Breach of the Data in its safekeeping and assumes all liability regarding such Breach and hereby indemnifies and holds harmless FSSA and the State of Indiana from any loss, damage, costs, expense, judgment, sanction or liability, including but not limited to, consequential damages and attorney's fees and costs that the Trading Partner or FSSA, and the State of Indiana may incur resulting from such Breach.
13. Both parties hereto, in the performance of this Trading Partner Agreement, will be acting in an individual capacity and not as agents, employees, partners, joint ventures or associates of one another. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever. Neither party will assume any liability for injury (including death) to any other person, or any damage to any property arising out of the acts or omissions of the agents, employees or subcontractors of the other party.
14. This Trading Partner Agreement shall be construed in accordance with and governed by the laws of the State of Indiana, and suit, if any, must be brought in the State of Indiana.
15. Compliance with Companion Guides.
  - a. The Trading Partner agrees that it will fully comply with the FSSA companion guides then in force with respect to the Data transactions it conducts with FSSA. A Data transaction version that is not valid for the date of submission will be rejected and not processed by FSSA.
  - b. The FSSA companion guides for electronic transactions are located on the [Indiana Medicaid website](https://www.in.gov/medicaid) at [in.gov/medicaid](https://www.in.gov/medicaid). To the extent permitted by law, electronic Data transmissions shall not be deemed to have been accepted by FSSA (and the Fiscal Agent) until the Trading Partner receives the acknowledgement specified in the FSSA companion guide or applicable instructions for the applicable electronic Data transaction.
  - c. If any electronic Data transmissions are received in an unintelligible or garbled form, the receiving party shall promptly notify the originating party (if identifiable from the received data); if the originating party cannot be identified, no notice is required. The Trading Partner must resubmit any failed or garbled transmission of a Data transaction in order for the Data transaction to be effective and processed.
  - d. The Trading Partner bears the risk of any system failures that result in failed or garbled transmissions of the Data transactions. FSSA is not liable for any damages or

expenses resulting from erroneous or failed transmissions of Data or lost Data including, but not limited to, lost profits.

- e. The Trading Partner will provide timely notice to the Fiscal Agent regarding any changes in the Trading Partner’s Data transaction transmission source or receipt requirements that would require action by the Fiscal Agent to accommodate such changes; the Fiscal Agent will address any such changes in a reasonable and timely manner, but cannot warrant any specific timeframe or guarantee that it can accommodate any such change.

16. The Trading Partner warrants its authority to disclose to FSSA or the Fiscal Agent the Data contained in each transaction submitted to FSSA and will provide evidence of that authority to FSSA upon FSSA’s request.
