***ADDITIONAL INFO ABOUT MAP REQUIREMENTS FOR EA PROJECTS (REFER TO ER COMPLIANCE DOC. GUIDE)**

As noted in the checklist above, not all maps may be required. Map requirements vary based on level of review and project type. Asterisked maps do not need to be collected for water infrastructure or slum/blight projects. They may be required for new residential (single-family and multi-family) construction projects, major rehabilitation and modernization projects, new commercial/industrial construction projects, and new public facilities projects where the primary end use would be regular occupation and/or increased population densities in an area incompatible/unsafe for such end use.

SEC. 3 – AGENCY LETTERS & COMMUNICATIONS

Grantees are required to contact all agencies listed on the ER Agency Contact Form (ER Form 7), including Tribal Historic Preservation Agencies and Local County Health Depts. & Zoning Depts.
